THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI M. V. independent/exclusive coating unit vis-a-vis the integrated mill would depend upon the extent of value addition and the rates of duty applicable.

(c) and (d) Central sales tax and other taxes, if leviable, on purchase of base paper add to the input costs. The effect of such addition would depend upon several factors including the nature and quantity of base paper used, the nature of inputs used, the operations performed on base paper and the rates of taxes.
